PRO SE COMPLAINT FORM MEDICAL MALPRACTICE

November 15, 2016

I'm officially filing a malpractice lawsuit against Dr. Lillian Schapiro for medical negligence and personal injury. I had surgery a Laparoscopic Robotic Myomectomy on December 13, 2013 at Piedmont Hospital. Because of the symptoms I was experiencing, I had repeat x-rays done. The repeat x-rays showed fibroids still left in my body after surgery. Piedmont hospital was paid 40,000 for this surgery. I attempted to call Dr. Schapiro no return call and I sent a letter regarding this matter via fax and mail no response at this time. I'm not sure what was done during this surgery but I can no longer digest foods I previously had no problems digesting and I'm experiencing other issues.

Sincerely,

Latifah Ameen
